# Dedicated to the Children of the World

*kaumara acaret prajno

*(S.B. 7.6.1.)*

**"From the very beginning, a child must be trained to  
preform devotional service to the Lord..."** (Srila Prabhupada)

Modern civilisation has advanced considerably in the feild of mass education, but the result is that people are more unhappy than ever before because the stress placed on material advancement to the exclusion of the most important part of life, the Spiritual content.

So, VEDIC ARTS, inspired by the teachings and blessings of Srila Prabhupada, is sincerely striving to help the children of the world to engage their senses & mind, somehow in relating to the Supreme Lord Sri Krishna which is the perfection of human life.

In the present society almost every child is trained to learn ALPHABETS through the words representative of objects in the material world. Let us now try learning them with a spiritual base, i.e., the HOLY NAMES & HOLY THINGS etc.

We are sure; the kids enjoy our Vedic Arts publications which reveal themselves the wonderful pastimes of SRI KRISHNA.

Our humble attempt is to promote India's ancient wisdom & Vedic Culture through Children's Art/Educational/Spiritual Books.

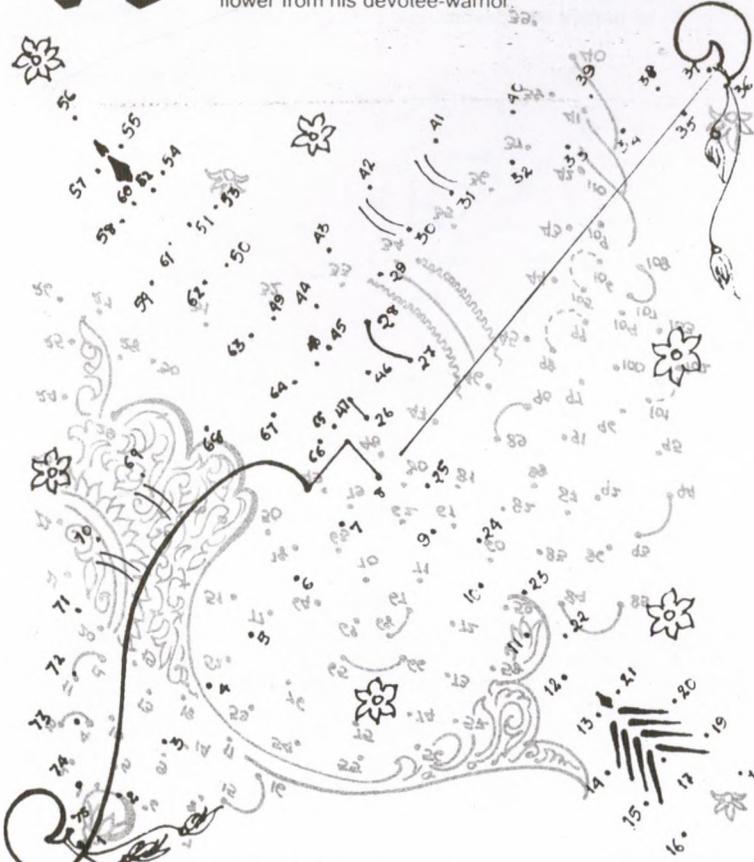

With all good Wishes and Love,
