

AGAR MA GANGA

*INSTRUCTIVE STORIES FROM
SRILA PRABHUPADA*

There is a story from Bengal- “Agar ma Ganga”

One woman had seven sons.

The mother requested first son

My dear boy, now I
am going to die.
Take me to the Ganges side.

Why?
You have got so many other sons,
why are you requesting me?

Then she called the second son

Same response.

Third, fourth.....Everybody said like that

And she died without Ganga.
