

Ch. 13. Notes

1. The Supersoul is not divided. Just as the sun, although reflecting on everyone's head, remains one.
2. Humility means that one should not be eager to have the satisfaction of being honored by others.
3. The living entity is blessed or damned with circumstances according to his past desire and activity.
4. The living entity, if he submits to the hearing process, will lose his long cherished desire to lord it over.
5. Clear understanding of material nature, the Supersoul, the individual soul and their interrelation makes one eligible to become liberated.
6. The mind is generally addicted to sense gratifying processes; but when the mind turns to the Supersoul, one becomes advanced in spiritual understanding.
