THE WRESTLING MATCH

The wrestling match was held between Krishna- a young boy of tender age, and a giant demon wrestler-Canura, 5000 years ago in Mathura, India. Krishna won the match with a wonderful feat and broke the world record of all times.

Hep,Hep! Hurrah!

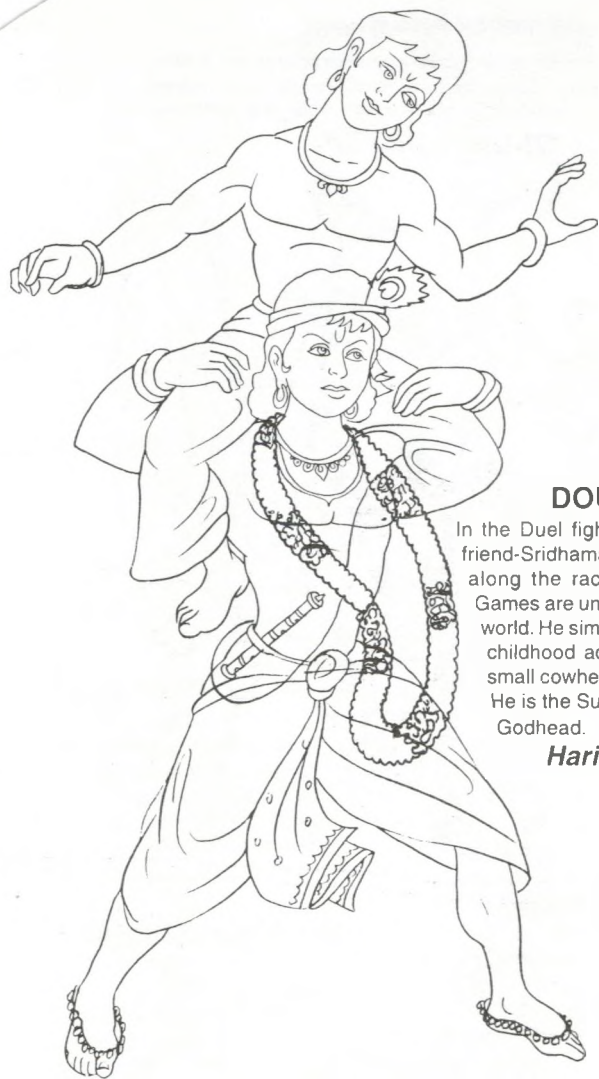

WEIGHT LIFTING

As the winner of all times and all games, little Krishna who is also known as "Giridhar", once lifted a huge hill, weighing millions of tons just with the little finger of His left hand and held it for solid seven days.

Wah! What a wonder !!!

DOUBLE RACE

In the Duel fight, Krishna had to carry his friend-Sridhama on His shoulders and run along the race. Krishna's Sports and Games are unparallel to anything in this world. He simply wanted to exhibit His childhood activities and play as a small cowherd Boy. Nonetheless, He is the Supreme Personality of Godhead.

Hari bol, Hari bol!

CHESSE GAME

Krishna-also known as Dwarakadish was an expert at indoor games too. Here, we see Krishna as a Prince playing Chess with His eternal Consort- Queen Rukmini who defeats Him often, not with her expertise in sports but with her love.

Cheer up-every body!

HIGH JUMP

The heroes of all time-Krishna and Balaram, exhibiting their sports' skills, jumped from top of the mountain cliff down to the ground- a distance of eighty-eight miles. Can the so called champions of today even think attempting such Sports?

Bravo! Bravo! Bravo!

BULL FIGHT

The annual sport of Bull fight is common mostly in Europe, but in India also 5000 years ago, a Young Boy called Govinda or Gopala also fought simultaneously with seven strong bulls, bridled and brought them under control.

Clap everybody, Cheer up!
