The series **TALK-ABOUT
BOOKS** is a humble attempt
to give all little Vaiṣṇavas an opportunity
to always think of Kṛṣṇa and never
forget Him.

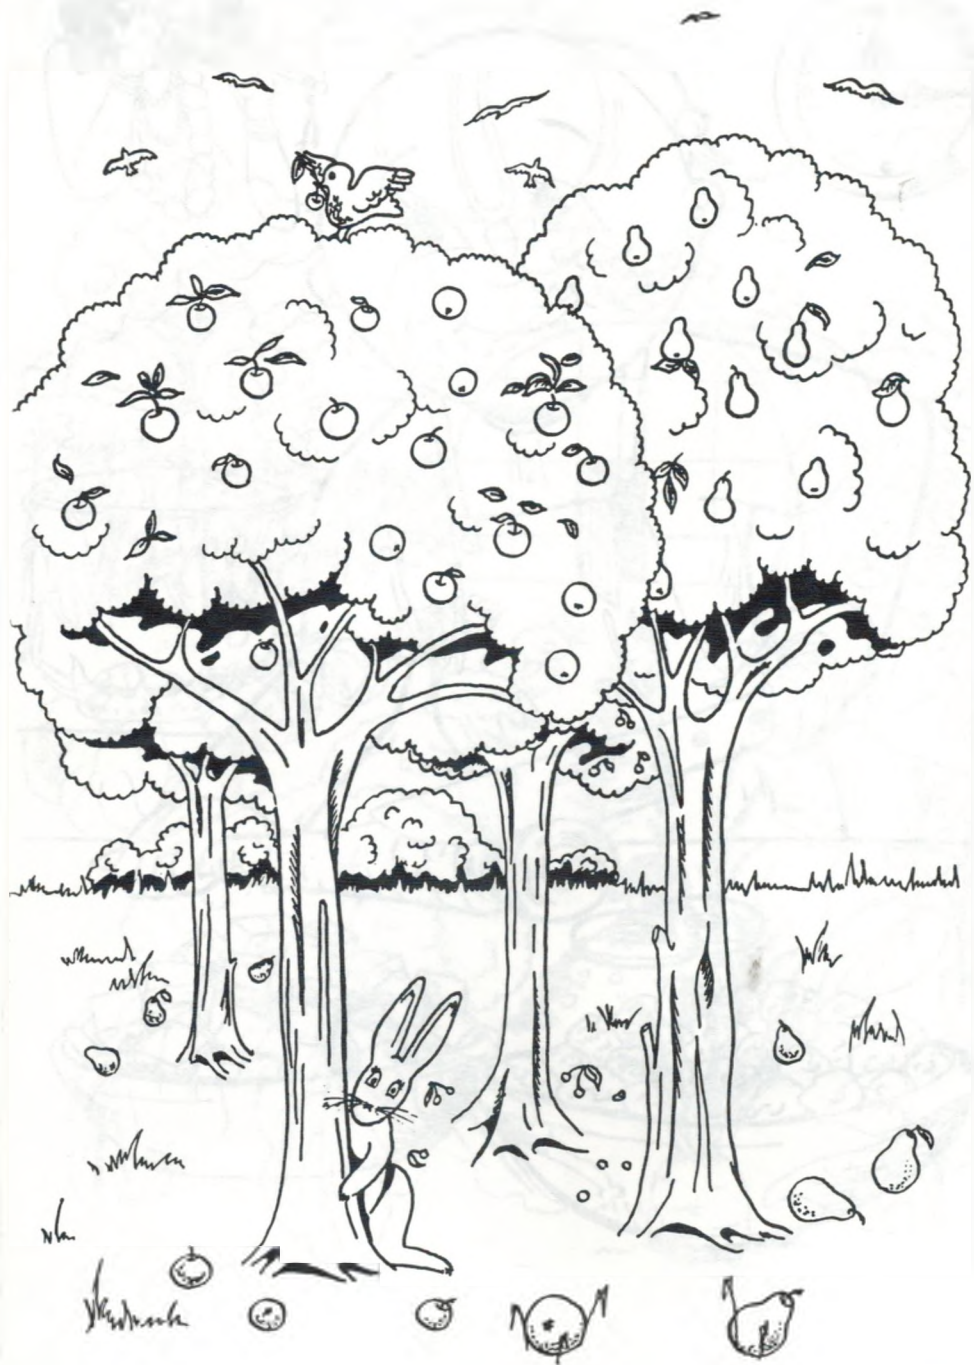

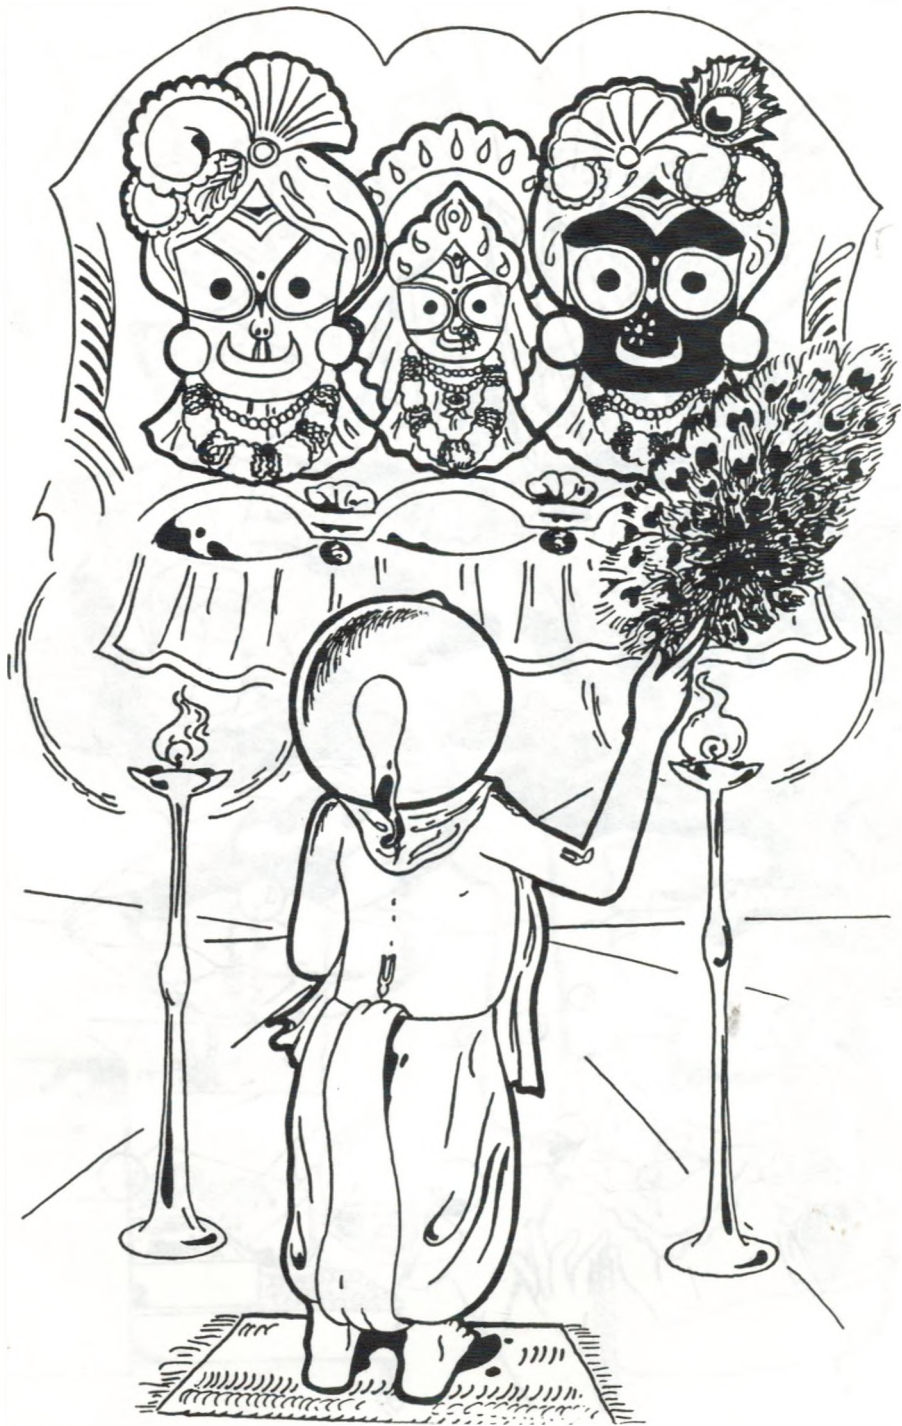

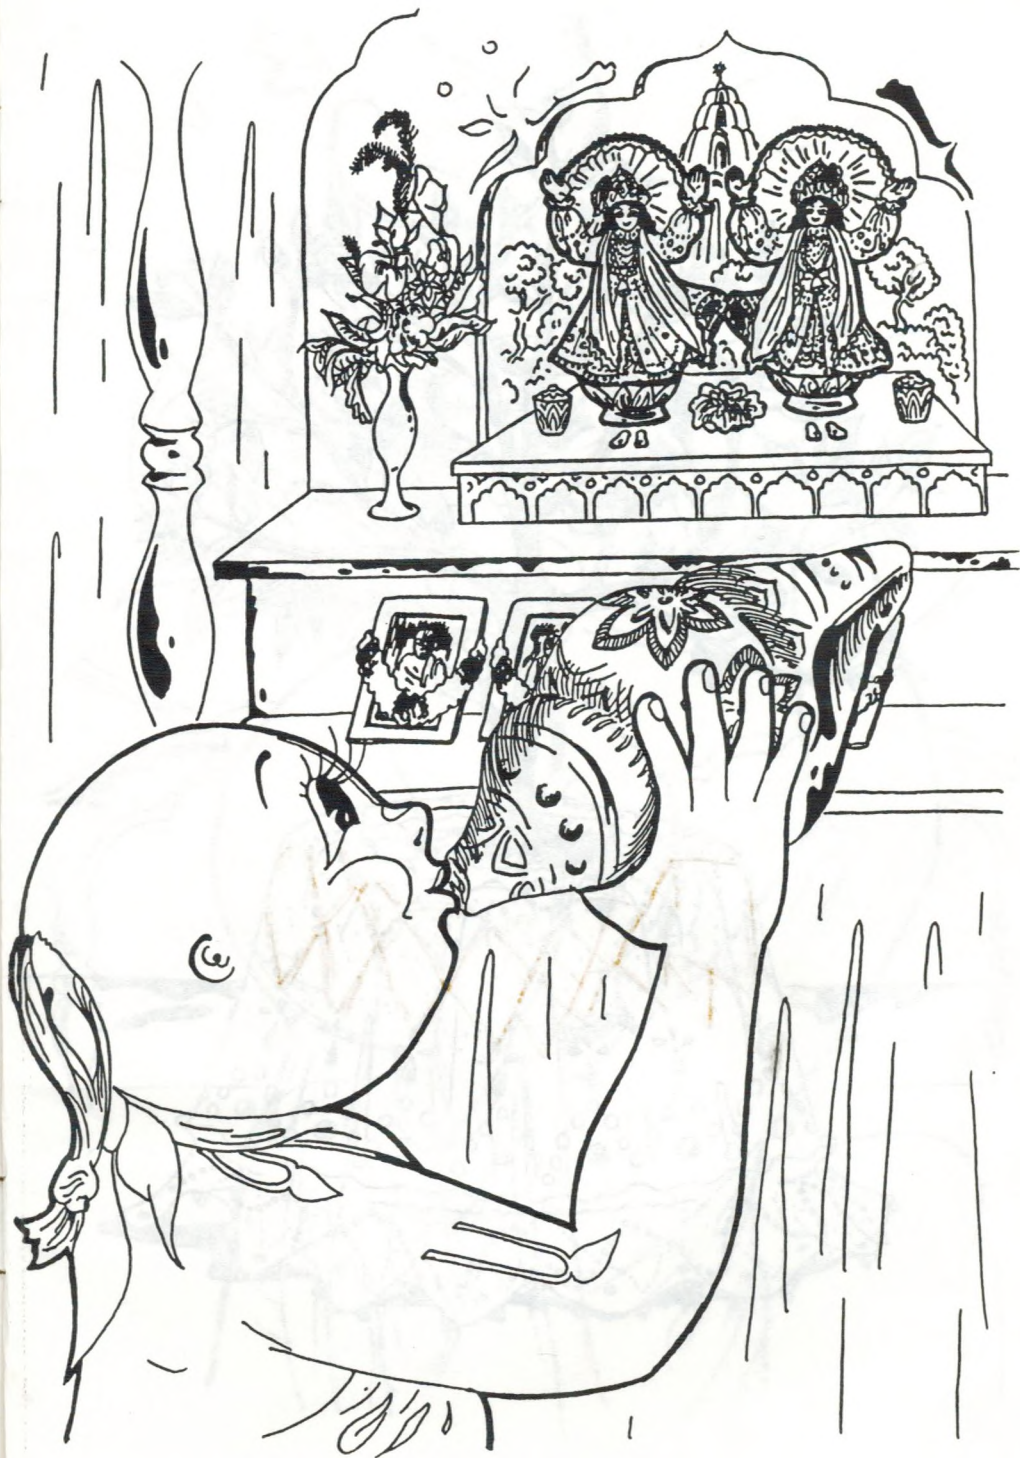

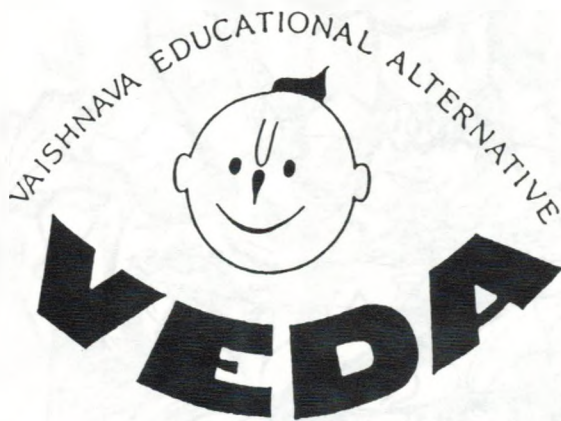

The Vaisnava Educational Alternative (VEDA) is a non-profit organization consisting of devotee parents, who feel concerned about the amount of educational materials available for children based on Krishna conscious culture, tradition, history and thought as revealed in the teachings and books of His Divine Grace A.C. Bhaktivedanta Swami Prabhupada.

Readers interested in other VEDA publications may write to:
