## Few words from Vedic Arts

*kaumara acaret prajno  
dharman bhagavatan iha...*

(S.B. 7.6.1.)

**"From the very beginning, a child must be trained to  
preform devotional service to the Lord..."** (Sriila Prabhupada)

Modern civilisation has advanced considerably in the feild of mass education, but the result is that people are more unhappy than ever before because the stress placed on material advancement to the exclusion of the most important part of life, the Spiritual content.

So, VEDIC ARTS, inspired by the teachings and blessings of Sriila Prabhupada, is sincerely striving to help the children of the world to engage their senses & mind, somehow or other, in relating to the Supreme LORD which is the perfection of human life.

We are sure; the kids enjoy our Vedic Arts publications which reveal themselves the wonderful pastimes of SRI KRISHNA.

Our humble attempt is to promote India's ancient wisdom & Vedic Culture through Children's Art/Educational/Spiritual Books.
