

THE FROG IN THE BUCKET

*INSTRUCTIVE STORIES FROM
SRILA PRABHUPADA*

Once two frogs had fallen into a milk pot

and were drowning.

After struggling to keep a float for some time

one frog gave up hope and drowned.

The other frog, however, was more determined and he kicked and kicked, despite the hopeless situation.

But due to all this kicking in milk, a hard lump of butter was formed

and by standing on this, the frog was able to jump out of the bucket.

MORAL :

Be determined for Kṛṣṇa.
